Dear Parent or Guardian:

In the month of June your child will receive Sexual Health Education as part of the CPS Sexual Health Education Policy. The Board acknowledges that parents/guardians are the primary sexuality educators for their child/children and **Coonley** is committed to partnering with parents/guardians to provide supplementary instruction to students via the sexual health education lessons. All teachers that teach the curriculum to their students have received training from the district and will use only materials that have been provided by the district.
